

Bredon Lawn Tennis Club

2019/2020 Annual Tournament – Rules

All matches are best of three tie break sets

- *Except in the knock out format tournaments where a championship tie break can be played in lieu of a third set as long as all players agree. If not then a full third set is to be played.*
- *All finals to be best of three tie break sets*

Competitors should arrange fixtures between themselves

- *Matches to be played prior to the round deadline*
- *The green box indicates the player(s) responsible for finalising the fixture date, with this player(s) to offer the opposing player(s) 3 reasonable potential dates. If this is not done and so the match is not arranged the other player(s) are awarded the win for that round. If the opposition player(s) do not respond to suitable contact or cannot agree to one of the 3 offered dates to play them they forfeit the match.*

Players should provide their own balls for each match.

- *As standard competitors should look to use new balls unless all agree otherwise.*
- *New balls are provided by the club for finals day matches*

Results for each match are to be written on the relevant draw sheet once played

Matches are to be self umpired, please do your utmost to play fairly and follow normal LTA rules.
